RF Technologies is a leading provider of real-time location (RTLS) safety and security solutions for the hospitality, healthcare, and education markets. Help Alert® Wireless Staff Duress Solution uses silent, mobile panic buttons to locate staff in need of assistance, helping to reduce the risk of harm and violence, without disturbing others or escalating the situation. Help Alert leverages existing Wi-Fi networks, so no wires, power cables or new construction are needed, providing for a cost-effective installation. Learn more at www.rft.com.
