RE: 2014 HANYC Hotel Industry Blood Drive

DATE: May 9, 2014

The Hotel Association of New York City, Inc. Hotel Industry Blood Drive this year will be held, in conjunction with the New York Blood Center, on Tuesday, May 27, 2014 from 12:00 noon through 6:00 P.M. at the DoubleTree by Hilton Metropolitan New York City, 569 Lexington Avenue, New York, NY 10022-7590 (Metro III Room – Mezzanine Level).

There is an ongoing serious blood shortage in New York City and our Hotel Industry Blood Drive is aimed at helping to combat this major problem. This event is an important civic effort on behalf of our industry and active participation by our membership will help to insure its overall success.

In order to properly coordinate this drive, we need to know which hotels will be actively participating. As such, if you have not already done so, we ask that you fill out the attached response form and either fax (212-688-2838) or email (ramato@hanyc.org) it back to Rick Amato at the Association as soon as possible.

Best regards.
