The New York State Hospitality & Tourism Association and Hotel Association of New York City cordially invite you to the 2015 Legislative Roundtable Breakfast.

Many of the state's elected officials do not know that the tourism industry is the 5th largest employer in NYS and supports more than 818,000 jobs. At this open forum, roundtable discussion format, let the elected officials in your area know what is on your mind, the obstacles you face, and of course, some of your success stories.
