Re: Email Address Clarification  
Date: June 11, 2014

It has come to my attention that there is some confusion as to the correct email address to use when trying to contact me directly. When sending a document to me via email, the correct email address to be used is [jspinnato@hanyc.org](mailto:jspinnato@hanyc.org). If you use the email address Joseph.E.Spinnato@hanyc.org, the message will be sent to the Association's General Broadcast Email Account to which I have no direct access.

I hope this information clarifies any confusion regarding this matter. If you have any further questions, please contact my office.

Best regards.
