RE: Fresh request for names for HANYC Committees

As many of you know, the Association commenced a strategic review early in 2015. The review called for the development and implementation of a strategic plan with a view to addressing, among other things, better member engagement and concerns, a strong dues structure and an expanded scope to better advocate and educate all stakeholders.

This is a second request for volunteers to join Association committees or to suggest others you think might be interested in doing so. A previous request for nominees was sent on August 24, 2016. However, the scope and number of committees has now been enlarged and the succession process has now been completed.

The Committees are:

- (i) Finance Committee
- (ii) Strategy Committee
- (iii) Audit Committee
- (iv) Foundation (HANYC proposes to set up foundation per the Strategic Plan)
- (v) Human Resource and Tax Committee

We are requesting that names be forwarded to: PresidentHANYC@hanyc.org by **Friday, January 20, 2017**. Thank you.

Regards,

HH/lef
