Re: IH/M&RS HANYC Sustainable Hospitality Booth

Date: October 25, 2013

The Hotel Association of New York City, Inc., this year, will have a Sustainable Hospitality Booth at the IH/M&RS. The Association is committed to providing its member properties the tools and knowledge to help to better increase revenue and decrease expenses via sustainable initiatives. At the booth, you will be able to register a member of your team who will receive current information on sustainable initiatives made available by the Association's Sustainable Hospitality Committee.

We encourage you to stop by the booth while attending the show and also to attend one or more of the five panel discussions on sustainable matters which will take place during the show.

Best regards.
